ROSEHOLME GARDENS.

10 FORT WARR, BRUNSWICK, MAINE

SPECIALISTS IN HAND POLLENATED PERENNIAL & BULB SEEDS, PEDIGREED CROSSES OF GLADIOLUS BULBS AND SEED.

TERMS:---

Cash with order. All goods shipped prepaid. Remit by check or postal money order preferably. Coin should be sent securely wrapped. 1¢ stamps accepted for amounts under \$1. Customers remitting by money order may select seeds to the value of 15¢ gratis. remitting by coin same amount.

HAND POLLENATED SEED. To produce this seed, flowers, identical in color but on different plants, are selected for crossing. Pollen is transferred every morning from each to the other; this being continued until all the blooms on both plants have been hand pollenated.. The plants are treated to keep insects away. This tends to fix varieties and prevent change in coloration. With PEDIGREED CROSSES the selected flowers differ in color. This produces new varieties which differ from either parent. We consider ROSEHOLME HAND POLLENATED SEED to be better than field grown in that the percentage of germination is greater and the resulting plants sturdier making more rapid growth. This seed costs no more than the best grades of field grown seed. It is the policy of ROSEHOLME GARDENS to produce high quality hand pollenated seed at a price which the average amateur gardener can afford to pay. We thank you for your past and trust that we will warrant your future patronage.

HAND POLLENATED PERENNIAL SEED.

HYBRID DELPHINIUMS. All parent plants doubles of the best English, French & American strains. All crosses like color combinations. Art shades. SPECIALTY.

Mixed packet, a blend of many commercial varieties crossed 25¢. Special packet, a blend of many of my unintroducted seedlings crossed 25¢.

GLADIOLUS BULBS.

SPECIAL OFFER. NAME A GLADIOLUS. We have a large number of new gladiolus under number. Each is distinctly different from anything now offered by any other dealer. They will be offered by us next year. We will sell one bulb only of a number to customers this year. With each bulb comes its pedigree and a blank on which you return the name selected at the close of the growing season. This is not a contest. The name you give the bulb is the name by which it will be known in my catalogue next year. Bulbs 25¢ each.

MANY NEW AND BEAUTIFUL COLORATIONS AND COMBINATIONS IN THESE NEW VARIETIES.

UNBLOODED SEEDLINGS OF PEDIGREED CROSSES. Something new for glad fans and for discriminating gardeners who want large handsome glads different from those generally grown. All bulbs blooming size, pedigrees as listed.

Quaker Maid X October	25¢.	Blue Lily X Blue Admiral	25¢.
